Dazzle, amaze and inspire with any of the ornamental plants within this category.

Well planned gardens can provide a succession of interest and colour spanning most of the year as well as providing an all important food source for bees and other beneficial insects.

Plants listed in italics are suitable for pond-side planting too!

Please note that not all plants are available all year round - we will only dispatch the plants when it is a good time to plant them! For availability either check our website or ring.

Pretty Compost Block Grown Plants

You can mix and match within this group (in multiples of 5)

5 plants of one type £6.00, 10 plants £9.90, 25 plants £22.25, 50 plants £41.00, 100 plants £75.00

Adriatic Bellflower

Sometimes known as Fairy's Thimble. A pretty little rockery perennial that slowly spreads to form a delicate looking ground cover; Fully hardy. July-Sept. it throws a succession of small blue bell shaped flowers. Thrives in a moist but well-drained soil. Prefers sun or partial shade. For ground cover purposes plant 10" apart.

Aubrieta Mixed

Soil hugging perennial thrives in impoverished and hungry shallow soils (eg rockery) has gorgeous profusion of bloom early Spring. Mix of colours including crimson, violet, purple, lavender blue, pink. Grows to approx 6" high. Thrives in an open sunny position and a well drained soil.

Birdbill Dayflower, Electric Blue

Grows to 12 -18" tall with thin almost grass like leaves terminate in a pretty blue flower. Each flower lasts, at best, a day, each stem has multiple flowering bracts so overall its flowering season is very long. Thrives in a moist but well-drained soil. Prefers sun or partial shade. For ground cover purposes plant 10" apart.

Bloody Cranesbill

Hardy or Victorian Everlasting Geranium Semi-evergreen perennial. Thrives in full sun/dappled shade. Rosy-purple-pink flowers all Summer long; often referred to as Cranes Bill. Flowers June-August. Grows to approx 18" high. Thrives in sun/partial shade/most soil types. Plant 18" apart.

Calypso Magic

Deep crimson red, sunburnt yellow, tangerine, pink, white and intermediate colour shades give the most colourful effect of any garden flower. Please note this plant is annual in habit. Ready for planting early June onwards. Grows to approx 8" high. Thrive in full sun and a well drained soil. Plant 12" apart.

Cardinal Flower 'Compliment' Mix

Lobelia Compliment. A perennial that grows approx 2-3ft tall. Modern hybrid of German origin, makes an excellent border plant, cut flowers can last 3 weeks. July & August tall spikes of bloom arise in rich & pastel colours from pale pink to rose, crimson, lilac & purple. Thrives in sunny position & rich moist soil. Plant 2ft apart.

Cardinal Flower 'Queen Victoria'

Blood Red Dragons Tongues. Plant in open borders, bog garden or as pond marginals. Improves every year. Perennial, produces crimson red foliage. July/August has spikes of flowers standing 2-3ft tall with brilliant crimson red flowers, long lasting excellent cut flower. Thrives in sunny position & rich moist soil. Plant 2ft apart.

Columbine McKenna Hybrids

Grandmas Bonnets. Possibly one of the prettiest and most striking perennial border plants. We supply these in a fine selection of mixed colours to brighten up any herbaceous border. Flowers June to August. Grows to approx 2'6" tall. Thrives in full sun and rich soil. Plant 9" apart.

Coneflower 'Primadonna Deep Rose Pink'

An elegant daisy like flower, in a shade of rose pink from mid Summer until first frosts. Grows to approx 3ft tall, perfect for a summer border, once established will prove drought tolerant. Their stiff stems make them excellent for cut flowers, and they dry well too. Thrives in well-drained soil. Prefers sun or partial shade.

Coral Bells 'Bessingham Hybrids'

Beautiful evergreen. Forms a mound of puckered green leaves topped with small bell-shaped flowers in shades of red, pink and white borne in late Spring to early Summer on dainty stems 16" tall. Thrives in moist but well-drained soil. Prefers sun or partial shade. For ground cover plant 10" apart.

Coral Bells 'Purple Palace'

A beautiful evergreen that forms a mound of puckered purple leaves topped with small bell-shaped white flowers in late Spring to early Summer on dainty stems 18" - 24 tall. Thrives in a moist but well-drained soil. Prefers sun or partial shade. For ground cover purposes plant 10" apart.

Corkscrew Rush

This little rush really is an oddity with its contorted and twisted form. Perfect for pond-side planting, as a low groundcover or even as a single specimen in a pot - perhaps as a Winter houseplant? Thrives in moist conditions and even shallow water. Prefers sun or partial shade.

Cottage Garden Carnation

Traditional hardy border carnations are richly perfumed. Colour selection includes shades of pink, crimson-red, yellow, white, purple and intermediate shades and tints, and the traditional striped types. Flowers June to September. Grows to approximately 18" high. Thrives in full sun and a well drained soil. Plant 10" apart.

Cottage Garden Chrysanthemum

Easy to grow and do not require disbudding as they have 'spray flowers' with subtle perfume all of their own. Colour selection includes bright yellow, pink, tangerine, cream, white, crimson & pastel shades, from July til Dec. Grows to approx 2ft high. Plant any time except when ground is frozen. Thrives in an open position and a deep rich soil. Plant 18" apart.

Cottage Garden Pink

Tough, wiry, hardy perennials can be found any garden and 'come' year after year. Beautifully perfumed. Colour are shades of pink & white with a crimson red inner ring to be found on some flowers. Lovely as cut flowers, can be dried too. Flowers June to Sept. Grows to approx 10" high. Thrives in full sun and a well drained soil.

You can mix and match within this group (in multiples of 5)

5 plants of one type £6.00, 10 plants £9.90, 25 plants £22.25, 50 plants £41.00, 100 plants £75.00

Delphinium Magic Fountains Series

Mixed Exhibition Blue Crown

Perennial habit. Majestic spikes of bloom 5-6ft tall in all shades of blue to deep purple blue. Plant 18" apart. Flowers June-August. Grows to approx 3 ft high. Thrives in a wind sheltered, but full sun position and a rich soil SW situation is ideal. Plant 2'6" apart.

Evening Primrose

Shorter growing variety reaching barely 12" in height providing a profusion of large yellow scented flowers from June to September. Perennial in habit. Flowers June to September. Grows to approx 12" high. Thrives in full sun.

Flanders Poppy

Bright scarlet flowers with dark centres. Perfect for planting on banks or margins of your margins of the garden. Will self seed.

Foxglove Camelot (F1 Hybrid)

Produces a multitude of 2 - 3 feet (60 - 75 cm) tall flower spikes in shades of cream, lavender, rose and white. Compact in habit and profuse in flowering.

Foxglove Old English (Excelsior)

For open border or partial shade beneath trees where dappled sunlight can filter through. Easy to grow. Has towering spikes of bloom. Lovely colour selection with spotted & marked trumpet flowers. Flowers June to August. Grows to approx 5ft high. Thrives in full sun or partial shade & a deep rich soil. Plant 14" apart.

Geum 'Mrs J Bradshaw'

Reliable, herbaceous plant that is both compact and neat in habit. Has large strawberry like flowers which are scarlet red. Flowers May to Sept. Grows to approx 2 feet high. Thrives in most aspects and soil conditions. Plant 15" apart.

Hollyhock Chater's Double Mixed

Perennial favourite. Produces a glorious selection of colours, fully double varieties Flower from July to September. Grow to approx 8ft high. Thrive in a well drained, sheltered from strong winds, sunny situation. Plant 18" apart.

Lupin 'Russel' Hybrids, Band of Noble

Easily grown herbaceous that comes every year. A mix of The Governor (blue & white), Chatelaine (pink & white), Noble Maiden (white & yellow), My Castle (crimson & deep red shades), Chandelier (shades of yellow). Flowers June-July. Grows to approx 3-5ft high. Thrives in sun/part shade and a poor well drained soil.

Maiden Pink Brillancy

Natures Red Diamond. Splendid, evergreen, soil hugging, perennial ground cover becomes surmounted by thousands of shirt button sized crimson scarlet flowers during Summer. Flowers June to late August. Grows to approx 5" high. Thrives in an open sunny position. Suitable for ground cover. Plant 10" apart.

Mexican Cigar Plant

Has orange red tubular flowers with their ashen end looks like tiny lit cigars. Whilst perennial, it is frost tender. In a garden border it can easily produce a shrubby plant up to 3ft tall within a couple of months. In a container or pot it can be kept to 8" tall or more. Prefers a well drained soil. Thrives in full sun.

Milly's Honey Bee Flower Plant Mixture

Blended for nectar production as well as pretty flowers. Mix of plants (Borage, Candytuft, Clarkia, Godetia, Mixed Cornflowers, Hyssop, Nigella, Mignonette, Wallflowers, Goldenrod, Phacelia, Poppies, White Clover & Cosmos), will flower from approx June-first frosts. Carefully tease the plugs apart & plant out 4" x 4" apart.

Molly's Cottage Garden Flower Plant Mixture

Each plug contains multiple mixed plants (approx 8) Simply plant out 9" x 9" apart - to fill your borders with Summer and Autumn cheer - and give you a succession of flowers for cutting for the house.

Monkey Flower

Moisture loving perennials will add character and interest to the garden. Mixed colours including scarlet red, bright pink, creamy yellow and orange with a splotch of contrast colour.

Pasque Flower - Helier Hybrid

Perennial great for rockery garden, or front of a border. Mixed colours, easy to grow. Reaches 6 - 12" (15 - 30 cm) tall.

Penstemon

Colourful perennial. Spikes of flowers that resemble Snap Dragons (Antirrhinums) from deep purple, crimson red, bright pink and a host of intermediate shades and bi-colours. Flowers June to September. Grows to approx 2½ ft tall. Thrives in full sun or partial shade and most soil types. Plant 15" apart.

Red Hot Poker 'Flamenco'

Reliable herbaceous perennial. Flames of nature leaping upwards from your borders about 3-5ft tall. Flowers Summer. Grows to approx 4ft tall. Thrives in full sun and a rich soil. Plant 2ft apart.

Rock Rose 'Mutabile' Mixed

Also known as the Sunrose or Rushrose. Once established they will prove tolerant to even the longest droughts. Wiry foliage, with a beautiful display of flower in colours from the vivid to the pastel. Perfect for rockeries or border planting, grows up to around 18" tall, can be kept smaller. Thrive in full sun/well drained soil. Plant 9" apart.

Sweet Williams Messenger Mixed

Mix of colours. Early flowering variety produces long stems making them ideal for bouquets or as cut flowers. Second year plants so will flower this year. Reaches approx 24" (60 cm) tall.

Tree Lupin

Perennial that reaches approx 5 ft tall. Semi evergreen. Soft lilac, cream and lavender flowers that have the most delightful perfume. Flowers mid Summer. Thrives in full sun and prefer a neutral to acid soil which is not too rich. Plant 2 feet apart.

Premium Pretty Compost Block Grown Plants!

You can mix and match within this group (in multiples of 5)

5 plants of one type £7.00, 10 plants £13.00, 25 plants £27.50, 50 plants £49.50 100 plants £85.00

Auricula

Wax like foliage. Flowers have an outer ring strongly contrasting colour, almost black, purple, plum red, blue, or yellow with a contrasting white or gold centre for March to May. Winter hardy. Grows to approx 9" high. Thrives in partial shade, rich soil, or full sun. Plant 15" apart.

Chinese Pagoda Primrose

Completely disappears in Winter. In Spring, low growing clump of pinnate leaves are produced from which the red / mauve flower spikes rise up about 12" above. Thrives in a moist soil - so suitable for pond-side planting. Grows well in both sun or partial shade.

Confederate Violet Emperor Magenta Red

Mounds of rich green, heart-shaped leaves. Masses of wine coloured flowers mid-late Spring. Lovely ground cover plant. Reach 6" (10cm) high, plant 10" (25cm) apart. Tolerates shade well.

Confederate Violet Sorority Sisters

Perennial ground cover. Flowers in shades of light blue, dark blue, red, white and even speckled appear mid Spring. Rich green, heart-shaped foliage. Likes shade. Plant 10" (25cm) apart, reaches 6" (10cm) tall.

Cowslip

Perennial. Pretty bell like yellow flowers. Flowers from February to April. Grows to approx 10" high. Thrives in an open position or part shade. Plant 10" apart.

Drumstick Primula

Bog Primula. Pretty drumstick flowers in a multitude of colours that appear as lavender, white, magenta crimson, lilac and rich purple blue. Completely hardy but dies back until February, fresh green shoots appear and then a lovely display of colour. Hardy and improving year on year.

Helleborous Cottage Mixed

Flower colours include whites, yellows to purples - and even spotted and mottled forms late Winter into Spring.. Thrive in partial shade but will perform well in either deeper shade or sun. Prefer a moist but well drained soil and are particularly good on alkaline soils. Grow to 1- 2 feet (30 - 60 cm).

Mexicana Gazania

This half hardy perennial will give an outstanding display. Stunning coloured Daisy like flowers, some even have a rich green zone or band leading to their other name 'Fire Emeralds'. Plant out late May/ June/July. Flowers Summer. Grows to approx 12" tall. Thrives in full sun and a rich soil. Plant 12" apart.

You can mix and match within this group (in multiples of 5)

5 plants of one type £7.00, 10 plants £13.00, 25 plants £27.50, 50 plants £49.50 100 plants £85.00

Miniature Rose

Kentish Maiden Miniature Roses. A mini, multi-flowered polyantha rose. Winter hardy. They thrive in clay/poor soil. Semi, fully double and single blooms in profusion of pink, crimson, rose, white from June-December. Dead head to prolong flowering. Grow to approx 1ft tall. Thrive in full sun/most soil types. Plant 12" apart.

Potentilla Golden Starlitt

Also known as Golden Himalayan Cinquefoil. Perennial. Deciduous. Great for a rockery. Have large, brilliant yellow flower June - August. Reach approx 12" (30 cm) tall. Will take a full sun or partial shade location.

Potentilla Scarlett Starlitt

Also known as Himalayan Cinquefoil. Dense, compact growing habit and reach about 12" (30 cm) tall have a large deep scarlett red to purple flower June - August.. Good for rockerys or flower beds. Perennial. Plant 12" (30 cm) apart. Like a full sun or part shade position.

Please Note: Cultivation is legal in the UK, harvesting/processing of poppies for drugs, legal or otherwise, is not!

Poppy 'Allegra'

Oriental Scarlet Red Poppies

A dwarf, tough and hardy. For rich colour these cannot be beaten. Flowers May-early July. Grows to approx 12-15" tall. Thrives in a sunny position and a well drained soil.

Poppy - Black Beauty

Almost-black, fully double Poppy is stunning. Grows to 2ft-3ft tall. Perennial in habit, but often grown as an annual, can be a little tender, especially in wet Winters. If left they will self seed.

Poppy 'Ladybird'

Crimson red flowers with distinctive black blotches at base. Grows to 2ft-3ft tall. Perennial in habit, often grown as an annual, can be a little tender in wet Winters. Will self seed.

Poppy 'Opium'

Flowers in shades of pinks and purple which are large and 'open' with a papery appearance. Flower June - August. Reach 2-3 feet (60-90 cm) tall. Thrive in full sun. Prefer well drained soils/poorer soils. Hardy annual Self seed.

Poppy 'Orange Feather'

Produces masses of double flowers on multiple stems, frilly orange flowers almost endless succession. Reach 18"-2ft tall.

Rockery Primrose 'Cottage Cream'

Hardy. Hybridised from wild primrose. Uniformity in both habit and flower colour. More compact in habit, cream flowers with delicate gold centres reach around 8" tall from just after Christmas until May. Thrive in full sun or partial shade and great for planting under trees and hedges. Prefer a rich moist soil. Plant 9" apart.

Victorian Polyanthus

Tough and hardy plants that produce one of the first flowers of the season, they like a shady or sunny spot in the garden. Reaches 12" / 30cm high. Plant 10"/25cm apart.

Wild Primrose

Old Fashioned Garden Primroses

Hardy these produce pretty yellow flowers with an orange yellow centre, mostly single from just after Christmas until May. Thrive in full sun or partial shade and great for planting under trees and hedges. Prefer a rich moist soil. Plant 9" apart and divide every three years or so.

Conifers and Heathers

Potted plants. £2.75 each

Alberta Spruce 'Conica'

Lovely dwarf, conical hardy conifer with bright lime green foliage. Very pretty (and great as potted Christmas trees!) Slow growing. Reaches 8 feet tall x 5 feet wide in 20 years. Likes a sunny position and free draining soil.

Juniper 'Green Carpet'

Hardy evergreen. A delightful mat forming conifer with scented green foliage that has a hint of blue. Makes an ideal ground cover or rockery plant. Reaches 20" tall by 5 feet wide in 20 years.

Lawson's Cypress 'Broomhill Gold'

Hardy, evergreen conifer with lovely golden yellow, green foliage forming into a cone shape that reaches 6 feet tall in 10 years. Very ornamental.

Lawson's Cypress 'Ellwood's Gold'

Hardy evergreen, yellow tipped grey green foliage conifer that reaches a maximum of 12 feet tall by 3 feet wide in 20 years. Good for hedging or a focal point of your garden.

Lawson's Cypress 'Snow White'

Dwarf conifer that has grey green foliage, new growth is white and looks like snow, grows in a conical shape. Very ornamental. Reaches 3 feet tall by 16" wide. Slow growing. Needs a sheltered spot.

Pfitzer Juniper 'Old Gold'

Hardy, evergreen golden-yellow fragrant foliage conifer with a low growing habit making it an excellent ground cover or for a rockery. Reaches 3 feet tall by 8 feet wide.

Picea Glauca 'Sanders Blue'

Dwarf, hardy, evergreen blue spruce. Grows in a lovely conical shape with lovely coloured needles. Grows about 4-6" per year up to 13 feet tall by 10 feet wide.

White Cedar 'Tiny Tim'

Hardy dwarf conifer, emerald green foliage and forms a ball shape no more than 3 feet tall. Perfect for rockeries, containers and borders.

Winter Heath 'Ann Sparkes'

Hardy, evergreen delightful bronze foliage heath with purple flowers. Good ground cover and easy to grow. Reaches 4" high by 10" wide.

Winter Heath 'Challenger'

Hardy, ever green heath with dark green foliage and magenta pink flowers. Easy to grow and makes a stunning ground cover. Reaches 6" tall by 16" wide. Doesn't like heavy compacted ground.

Winter Heath 'December Red'

Hardy, evergreen heath, reaching 12" tall by 18" wide with stunning purplish pink flowers December to February. Great ground cover, easy to grow.

Winter Heath 'Foxhollow'

Hardy, evergreen. Stunning golden foliage that darkens through the year with sparse pink flowers, lovely ground cover and easy to grow. Reaches 12" tall by 13" wide. Likes a sunny position.

Winter Heath 'John Pook'

Hardy evergreen heath with white buds and pink-lilac flowers creating a bi-colour effect. Reaches 6" tall by 18" wide, prefers acidic soil in a sunny position.

Winter Heath 'Loughrigg'

Hardy evergreen dark green foliage heath with pink flowers that turn purpley pink as they age. Stunning ground cover that's easy to grow. Reaches 6" tall by 24" wide.

Fuchsias

We offer *Hardy Garden Fuchsia* and *Half Hardy Garden Fuchsias* collections or *specific varieties*.

Please request the separate catalogue if you are interested in these. £3.95 each

Chamomile Lawn

A very dwarf compact spreading form. Will require a light trim 4-5 times a year. Once established, thrives in hot sunny positions. Plant from April to early September. Plant 9" x 9" apart (20 plants per square metre). Thrives in a nutritious, well drained, soil. Never plant in waterlogged situations (not suitable for areas where dogs may fowl).

Creeping Thyme Lawn

Makes a lovely aromatic lush green 'carpet' surmounted in Summer with pretty pink flowers. Once established it needs very little attention - a trim perhaps once or twice a year - you can use those trimmings in the kitchen.

Heath Pearlwort Lawn

Emerald Angel Hair. Ground hugging and mossy like. Produces pretty pearl like seed pods after the dainty white flowers of the late Spring/Summer. Never needs cutting. Plant April to Sept. Plant 9" x 9" apart. Thrives in a nutritious, well drained, soil. Never plant in waterlogged situations (not suitable for areas where dogs may fowl).

Pennyroyal

Semi evergreen with bright blue flowers which surmount this soil hugging ground cover with its extremely powerful scent of peppermint - but not suitable for peppermint tea. Flowers intermittently through the Summer. Grows to approx 2" tall. Thrives in a rich soil and full sun or partial shade. Plant 9" apart.

Periwinkle (lesser)

Blue Star Trailer / Vinca. Pointed bright deep green 'polished' leaves. Grows really tight and thick to the ground. Intermittent very pretty blue star like flowers appear in Winter, Spring and Summer. Grow to approx 12" high. Suitable for all aspects and most soil types and will grow in deep shade. Plant 12" apart.

Periwinkle White

White flowering *Vinca minor* with a lovely dark green foliage. Hardy, evergreen. Plant 12" apart.

Sweet Scented Violets

Pretty violet coloured flowers from March to June. Grows to approx 9" high. Thrives in shade and a rich soil. Plant 10" apart.

Mind Your Own Business

The plant with so many common names - Irish Moss, Paddy's Wig, Corsican Creeper, Friendship Plant, Bread & Cheese, Baby's Tears, Paddy's Tears, The Pollyana Vine - the list is endless!

Extremely versatile. Prefers shade to full sun. Grows to approx 4" tall. Thrives in part of full shade. Plant 12" apart. You can mix and match within this group. 1 plant £2.50, 3 plants £6.75, 10 plants £21.00, 25 plants or more £2.00 each.

Standard

A neat bright green leaf.

Glaucous

A glaucous green leaf.

Pale Green

A neat pale green leaf.

Sweet Peas

You can mix and match within this group. 7cm pot of one type £2.40 (approx 7 per pot)

Old Spice Mix

Not a large flower but the perfume is better than that of any modern sweet pea! Supplied in a mix of 'lost' varieties to include King Edward V11, Matucana, Prima Donna and The Eckfords.

Spencer Mix

Renowned for their perfume and exhibition quality blooms. Our blend is from 40 distinct named varieties in a grand mixture including Air Warden, Andrea Robertson, Blackcurrant Mousse, Blue Danube, Bristol, Brook Hall, Charlie's Angel, Evening Glow, Firebrand, Flagship, Kelvedon Beauty, Mrs R Bolton, Nanette Newman, Noel Sutton, Pluto, Red Ace, Red Arrow, R.A.F., Rosy Frills, Rouge Parfum, Shirley Pink, Southbourne, Swan Lake, White Frills, Winston Churchill

All Non Grouped Plants!

African Blue Lily

Rich green strap like evergreen foliage from whence arching spikes of rich blue (or on rare occasions white) flowers arise. A most attractive plant that needs protection from severe frost. Flowers late Summer. Grows to approx 3ft high. Thrives in full sun. Plant 3ft apart. £4.35 each, 2 or more £3.95 each.

Chameleon Plant. Rainbow Chameleon

Plant. A beautiful herb that produces large ivy like leaves with a most pungent scent when squeezed - a vague likeness to tangerine and sandalwood. It spreads by stolons. Bright green leaves become overlaid with creamy-yellow then splashed pinky-red and in Summer shades of crimson red. £5.95 each.

Glyceria maxima var variegata

An attractive aquatic grass. Narrow green leaves are striped silver and white. Grows to approximately 2ft tall. £3.95 each.

Herb of Jupiter

Sempervivum, House Leek. Great for rockery gardens in a sunny position. Has great health benefits. £4.75 each.

King Cups

True Marsh Marigold that reaches 30" / 80cm tall. A beautiful yellow flower that loves to grow in wet, marshy ground. Potted £5.95 each.

Lily Of The Valley

Likes semi-shade, deep rich soil. Semi-evergreen. Beautifully perfumed white bell like flowers. Flowers May-June. Grows to approx 15" high. Plant about 9" apart. 5 for £5.40, 10 for £9.90, 20 for £16.00

Marginal Bog Plants

Selection of un-named marginal and bog plants (eg yellow water iris, golden kingcup, water mint, bog bean, glyceria, typha etc), great for pond side planting. 4 plants £22.80.

Mole Plant

Also known as Caper Spurge. Biennial which can self seed. It is said the roots exude a secretion making worms unpleasant to taste - moles find the worms unpalatable so move on elsewhere! Plant at 10ft spacings for best effect. £2.60 each, 3 or more £2.50 each, 5 for £2.40 each.

Nymphoides

Perennial with a beautiful small, scented yellow flower that loves to grow in shallow water, preferable up to 3 feet (60 cm) deep. Very under-rated. Potted £11.95 each.

Perennial Sweet Pea

Flowers in shades of deep rose pink, white and purple rose from June-Sept. Excellent for cutting. Grows to approx 6-8 ft (needs support). Thrives in full sun and a rich soil. Plant 18" apart. £1.35 each, 5 for £5.75, 10 for £9.50, 25 or more 85p each.

Phragmites

Likes to grow in water up to 3 feet (1 metre) deep. Can be used to cleanse water, thatch a roof or make flour! Reaches 11ft / 3mtrs tall. £5.95 each.

Scented Geraniums

Highly scented foliage when squeezed between finger and thumb. Perfume of citron, peppermint, sandalwood, orange, and apple and more. Flowers intermittently throughout the year. Grows to approx 3-4ft high or can be kept smaller. Thrives in full sun. Plant 2'6" apart. Frost tender. £2.75 each, 10 or more £2.25 each.

Reed Canary Grass

Pretty striped grass that can improve ground. Prefers a moist location. Reaches 6 1/2ft/2mtrs tall. Potted £5.95 each.

Rose-Mallow. South Pacific Sunglory.

Semi hardy perennial. Individual flowers grow up to 10-12" dia August-Sept. Mixed colours from deep crimson-red to snow white with crimson centre. Grows to approx 4 ft tall, plant 2ft apart. Thrives in a sheltered full sun position with a rich soil. £3.25 each.

Anemones De Caen & St Brigid

Selection

A blend of varieties to give a colour mix including scarlet, violet blue, violet rose, white and rich blue – in both double and single flowers growing to approx 12". Plant the hardy corm 3" deep 8" apart. Plant April - June. 25 corms £5.50, 50 for £9.50, 100 - £16.00

Crocus Corm Collection

White and purple mix that reach 4" tall. Autumn planting. 25 bulbs £9.95

Daffodil & Narcissi Bulb Collection

Large flowering, reach 14" tall. Autumn planting. 25 bulbs £4.95.

Miniature Daffodil Bulb Mix

Miniature flowers, reach 6" tall. Autumn planting. 25 bulbs £3.25.

Parrot Tulip Bulb Mix

Mix of colour. Reach 20" tall. Autumn planting. 25 bulbs £12.95

Pink Flowered Spring Tulip Bulb Collection

Mix of pink flowering varieties. Reach 12" tall. Autumn planting. 20 bulbs £14.95
